## REPORT OF HEALTH AWARENESS PROGRAM

A Health Awareness Webinar was organized for the Under Graduate Students as well as Post graduate students on 2 April, 2021 at 11.00 a.m. on online platform Google meet and Facebook Live link. Dr. M.K. Malviya, Convener and Dr. Swati Tande, member of First Aid, Health Watch and counseling club in association of NSS Department conducted this Webinar. The objectives of the program were to ascertain the awareness of Students about COVID-19, to estimate the prevalent wrong practices and beliefs about COVID-19, vaccination, and to provide information regarding diet, exercise and precautionary measure to avoid Corona.

The program was planned to carry out on online platform Google meet and Facebook Live link. Dr. Sachin Deokar, MBBS, MD, Pathologist, Kiran Pathology, Nagpur was invited as a Resource person to talk on "Corona-Prevention and Immunity". The program commenced with Welcome note of Dr. Swati Tande, the Member of First Aid, Health Watch and counseling club. She introduced the Speaker Dr. Sachin Deokar to the participants. Later on Dr. Sachin Deokar was requested to deliver a lecture on "Corona-Prevention and Immunity". Dr. Deokar explained causes, effects and the precautions to avoid the Corona. With power point presentation, the resource person explained the various ways to avoid corona and necessity of vaccination. At the end of the webinar he answered the queries of participants.

For this webinar 449 students were registered. 101 participants were attended on Google meet, and others on face book live link. E- certificates were given to the participants. The program was ended with the vote of thanks.
